Elizabeths Dowry Mug Rug by Karen Styles of Somerset Patchwork

To make templates: Use the diagram below and draw around the diamond and triangle shapes onto template plastic, this will be your stitching line, remember to **add** a ¼" seam allowance when cutting out your fabric.

Cut four brown diamonds, four pink diamonds and eight blue spot triangles.

Remember to add a ¼" seam allowance past the pencil lines!

Stitch together two diamond shapes by stitching along the pencil lines, *do not* stitch into seam allowances, repeat four times.

Stitch together two pairs and finish by stitching together the two halves.

Set in a triangle shape using a 'Y' seam as shown below.

Quilt and add a narrow binding.
